Students can connect with teachers for study support or credit rescue during this time and are asked to make arrangements with their teachers in advance. The cafeteria and the learning commons will be supervised study areas for students.					

Notes:

- Attendance is mandatory for all exams; a medical note must be provided for any missed exams.
- Learning Commons and Cafetorium will be open and supervised for students when they are not writing exams.
- Students will be required to remain in their classroom at least one hour. Upon dismissal, they must leave the exam hallways quickly and quietly as others continue to write.
- If for any reason, school buses are cancelled or schools are closed, those exams will be written on the following day.***
- If students are leaving the school after writing an examination, they should do so with the same expectations of a regular school day (i.e. signing out at the office, and have parent permission, such as a note, to do so)
- Final Semester Reports to be mailed July 5<sup>th</sup>, 2019
